HARPER Chapters

A new early chapter book
program specifically created
for kids ages 5-8

HARPER Chapters

provides unique, entertaining, and fun books designed for kids who have graduated from our I Can Read! program, but are not quite ready for traditional chapter books.

These books are designed to celebrate reading accomplishments and benchmarks, developed with an education expert and jam-packed with interactive material to encourage advancement and reading comprehension.

UNICORN GAMES

THINK!

In the story, I wish to fly. If you could wish for anything in the world, what would it be and why?

FEEL!

Think of a time something you wanted to do went horribly wrong. How did that make you feel? What were some of the things you tried to do to make it better? Write down your story or tell it to a friend!

ACT!

Think of an important person or unicorn in your life. What are some things you can do to make their day feel a little more glimmerific? Draw a picture of your plan!
